

SUPERKIDS

Dan the Man's SuperKids is proud to introduce our one of a kind Transition/Enrichment Program. It has been designed as a gentle stepping-stone into Pre-school or Kindergarten rhythm and structure.

Teacher Niki our wonderful, fully qualified and experienced Pre-School Teacher will offer a different weekly theme with developmentally age appropriate and challenging games & activities, story time, interactive and imaginative play, arts & crafts and of course...energetic play in the SUPERKIDS gym.

This is a wonderful opportunity for your child to socialize with children their own age, increase their confidence and learn in a loving, fun and safe environment. Parents are welcome, but it is recommended you leave your children to succeed.
